Please support you local club meet

Local meets offer a chance to socialise with other MG owners & club members. In addition to the events listed here, many meets organise their own gatherings, days out, visits to interesting places & road runs in your local area. It's not all about the cars, but an opportunity to meet new people, and hopefully, make some new friends along the way.

MG Centenary celebrations

This year sees the 100 year anniversary of the formation of Morris Garages (MG), with the first MG appearing in 1924. To mark these historic events, the MG Car Club will be holding a selection of special Centenary events during 2023/4. Look out for these and join in if you can.
