Anglia Centre Notes March 2019

MGB GT V8 Police Cars

Following on from the Riviera Run report last month with my request from members for information of previous V8 Police Cars, I am indebted to club member B. Monk who e-mailed me with information saying that in the for-sale section of August 2018 Safety Fast! On page 92 is an ex-Police V8 with photo and that an article on the car was printed in a previous copy of S/F. There is also a lot of information of these rare cars on the V8 web site.

Rolling Road Day

Luke Stevens Developments based at Mildenhall Rd, Fordham near Cambridge were the hosts for the Anglia Centre Rolling Road day on Saturday February 2nd. Organised by Alison Isaacson.

20 members attended in a range of MGs which included an MGA, plus MGBs MG TFs and a MG ZT190.

Workshop owner Luke provided us with breakfast of bacon and egg rolls plus plenty of tea and coffee on a day when the ambient temperature never rose above zero.

The performance of the day came from Ian Randall's TF160 with a power output of 170 BHP.

Thank you Luke for the hospitality, we are already planning a return trip for next year.

Club Meets

Most of the Club Meets have now had their end of year celebration dinners, one of the final ones was The East Suffolk Club Meet, hosted by Peter Skipper and held at The Artichoke in Broome. 22 members attended the successful and happy luncheon, as can be seen in the attached photo.

Committee Meeting

Please note the new venue for the Anglia Centre Committee Meeting being held on Saturday 2nd of March, at The Ceders Hotel, Needham Road, Stowmarket IP14 2AJ. Contact any of the committee members if you would like a subject discussed or for more details contact Chairman William Ball 01508 471506 or Secretary Roger Moran 01502 722122.

The 2019 **Racing Season** starts for us on March 30th at the Silverstone National Circuit. Both the Peter Best Insurance Cup and the BCV8 championship will be at the meeting and with a large number of Anglia Centre drivers racing a full report will be in our notes next month.
