

## Anglia Centre Notes December 2018

### MG Car Club Chairman

You may well have read in the November issue of Safety Fast! That Dave Tynan has been elected as the new MG Car Club Chairman.

Many of you will know Dave from his many roles within the Anglia Centre of which he was our own chairman for many a year. The annual Concourse and Pride of Ownership at MG Live! each year has been organised by Dave, he is still one of the Club Meet Hosts at The Red Lion, Margareting on the 2<sup>nd</sup> Thursday of each month, is a leading light within the MGF Register, was instrumental as one of the organisers of the Bridges and Tunnels Runs which were so successful. The list goes on.

You will not find a more approachable or helpful person and we wish him all the success in his new position.

### MGCC BCV8 Championship

The last of the MGCC race championships to be decided was run on the Snetterton 300 circuit in very wet conditions and went right down to the last race of the day still with five drivers in with a theoretical chance of becoming overall champion.

Wow what a race it was, with an impressive 34 cars on the grid in the atrociously wet conditions, Jordan Spencer was first passed the chequered flag but drive of the day could easily have gone to James Wheeler who made his way from last on the grid at the start to finish in fourth place.

The overall championship went to Russell McCarthy in the end by just one point from Simon Tinkler who scooped up the prize of Class A/B Champion as consolation

Final championship positions are as follows. Overall BCV8 Champion 2018- Russell McCarthy and Class Champions as follows,

Class A/B Simon Tinkler

Class B Benjamin Tovey

Class C Ollie Neaves

Class D Neil Fowler
