

Anglia Notes January 2018

Restoration Trophy

Paul Bloomfield is the worthy winner of this years Anglia Centre Restoration Trophy for the splendid restoration of his Mark III Farina Magnette. A delighted Paul was presented with the award at his local Club Meet by William Ball.

Paul, with help from his Wife Janet, has put his heart and soul, along with a good few pounds into this restoration over the past six years.

Paul and Janet purchased the MG in 2011 for £550. It has had five previous owners, the first one purchasing the car from FW Kerridge Ltd of Alton Hants on the 6th of June 1959.

The MG had lain off the road for 19 years and Paul who works on the Holkham Hall Estate has done much of the work himself. The MG has covered 71400 miles in its life and Paul has history of all previous owners.

Some parts and lots of encouragement during the restoration were supplied by Pauls good friend Mick Holehouse.

Paul and Janet are no strangers to the Anglia Centre having organised two Riviera Runs and three charity runs in the past.

Well done on such a fine restoration of a now rare MG.

Chairman's Trophy

A delighted Tony Batson was presented with The Chairman's Trophy by Peter Skipper in December for his tremendous efforts in organising the Centre Calendar and Queen Vic Show.

Tony does a fantastic job coordinating all our events and is a well-deserved recipient
