

## Anglia Notes June 2018

### MGLive

As this issue of Safety Fast! Drops on your doormat you will only be days away from Silverstone and MGLive!

If you are attending, you will find the Anglia Centre stand in the main show area. We are sharing space as last year with the Caledonian Centre and could well be on course for 'Best Centre Display' this year, make a point of visiting and say hello.

The Concours and Pride of Ownership, organised by Anglia Centre, is on Sunday. If you need some inspiration for your own restoration then these are the cars to look at.

Racing will be fast and furious on both days with many of our Centre drivers in line for overall and class wins, wander into the paddock area and give them your support.

It's the biggest MG event in the world, don't miss it.

### Centre Website and Facebook

Both the Anglia Centre Website and the Facebook pages are getting very popular, they both provide more space for reports of events than we could ever have in the magazine. Visit [www.mgccanglia.com](http://www.mgccanglia.com) and the 'MG Car Club Anglia Centre' on Facebook.

### P & A Wood

Organised by our own Andrew Woods, host of the Mid Essex Club Meet. Twenty of us arrived at Gt Easton, for a tour of the P & A Wood, Rolls Royce and Bentley restoration workshops.

We had the privilege of being shown round by the founder and owner, Andrew Wood who explained everything from the companies' humble beginnings to their position as one of the world leaders in motor car restoration.

Everything from engine machining to aluminium body fabrication and painting is done in house.

## **Events Planning**

The **Anglia Summer Picnic** is on Sunday 1<sup>st</sup> July at Felbrigg Hall, Norfolk. ## **East Anglian Tour**

At the time of writing there are still a few places left on the inaugural three-day tour of East Anglia starting Friday September 21<sup>st</sup>.
