

Anglia Notes November 2017

Snetterton

The final race weekend of the season was again a great success at the Snetterton 200 circuit.

The Anglia Centre set up camp with dedicated parking for members cars on the enclosed grass area overlooking Murrays chicane, what a fine selection of cars were in attendance. One in particular caught my eye in the shape of the immaculate Sebring Sprite that you can see in the accompanying photograph. The owner of which turned out to be Steve Nash, Steve used to be Registrar of the Midget Register, and the car in question was built by him by converting his ex-Hill climb lime green competition Midget known to all as 'Kermit.' Steve campaigned the famous Midget with great success in the 1980s it was often featured in Safety Fast at the time.

Both the Peter Best Insurance MG Cup and The Watt Electrical BCV8 championships went down to the wire producing worthy champions. Alan Brooke, champion in the Peter Best Cup driving his self-built very rapid Metro and Russell McCarthy in his thundering MGB in BCV8. Russell being the third member of the McCarthy Family to lift the title following in Farther Roy's and Brother Spencer's footsteps
