

## Anglia Centre Notes October 2020

### MGCC Anglia Centre Enthusiasts Trophy

It is with great pleasure that, following the pandemic lockdown which put a halt to preceding's, I can finally announce the recipient of the 2019 Anglia Centre Enthusiasts Trophy as being the very popular racing driver, BCV8 Chairman and stalwart, James Wheeler. The socially distant hand over of the trophy took place at Snetterton and I was honoured to be able to hand the trophy to James who took over the reigns of the BCV8 as coordinator, organiser, secretary, you name it, alongside his roll as chairman, following the untimely passing away of 'Mrs BCV8' Pam McCarthy who used to organise so much.

James did not flinch from the task and has built up a new team of helpers including his 'Wing Man' Neil Fowler. James has also built up a fantastic Social Media arm for the championship, including the very professional BCV8 videos to promote and support the events

He keeps everyone updated, helps out with entries, supports all the drivers and with help from his team, organised a fantastic Dinner Dance at the end of last year

The enthusiast who is deemed to have made the most outstanding contribution to the spirit of the club and The Anglia Centre is voted for each year by the committee and I can say that the vote for James was unanimous

### Stonham Barns Classic Vehicle Show

The Stonham Barns show was one of the first to be held following the easing of pandemic lockdown restrictions. The Anglia Centre had a presence with a lovely selection of MGs, the display and organisation of which was managed by John Cumming and looked splendid

There must have been three to four hundred classic cars of all sorts on display and the organisers had set up a one way, 'Covid Safe' system for spectators and participants thus helping to make it a wonderful day

### Anglia Centre Photographic Competition

You still have time to get your entries in. Send your photographs along with a note of membership number to Kelvin [webmaster@mgccanglia.com](mailto:webmaster@mgccanglia.com).
